Dave Wright had questions about why the ads were in the Northern Pride and not in the Beaver River Banner. The Administrator, Laurie Lehoux explained that the ads were placed by the NODCA Administrator and since both are available in the Village. The Village could have used the Beaver River Banner but the Village's representative missed that meeting due to work.

Ron Waugh said he didn't know about the public hearing even though he was still a Councilor for the Village at the time the public hearing was set.

There were no written submission received by the Village of Loon Lake.

This meeting was adjourned at 6:00 p.m. by Chairperson Larry Heon.
